- (d) Certificate of the Public Health Inspectors Education Board qualifying as a Public Health Inspector.
- (e) Diploma of the Royal Society of Health qualifying as an Inspector of Meat and Other Foods.

[illegible]

ANNUAL REPORT OF THE MEDICAL OFFICER OF HEALTH

FOR THE YEAR 1970

To the Chairman and Members of the Hucknall Urban District Council.

Mr. Chairman, ladies and gentlemen,

I have pleasure in presenting to you the Annual Report for 1970.

VITAL STATISTICS:

The birth rate was 18.9 compared with 16.0 for England and Wales.

Eight stillbirths were registered giving a rate of 18.0 compared with 13.0 for England and Wales. Of these eight four were due to placental insufficiency and cord conditions, three to congenital malformations and one to toxæmia of pregnancy. All were hospital deliveries.

The perinatal mortality rate i.e. stillbirths and deaths in the first week of life was high at 24 compared with 23 for England and Wales.

The infant mortality rate i.e. deaths under one year per 1,000 live births was eight - the lowest recorded in Hucknall for five years.

The infant mortality for illegitimate babies remained NIL for the second year in succession.

The maternal mortality rate remained NIL.

INFECTIOUS DISEASES, VACCINATION AND IMMUNISATION.

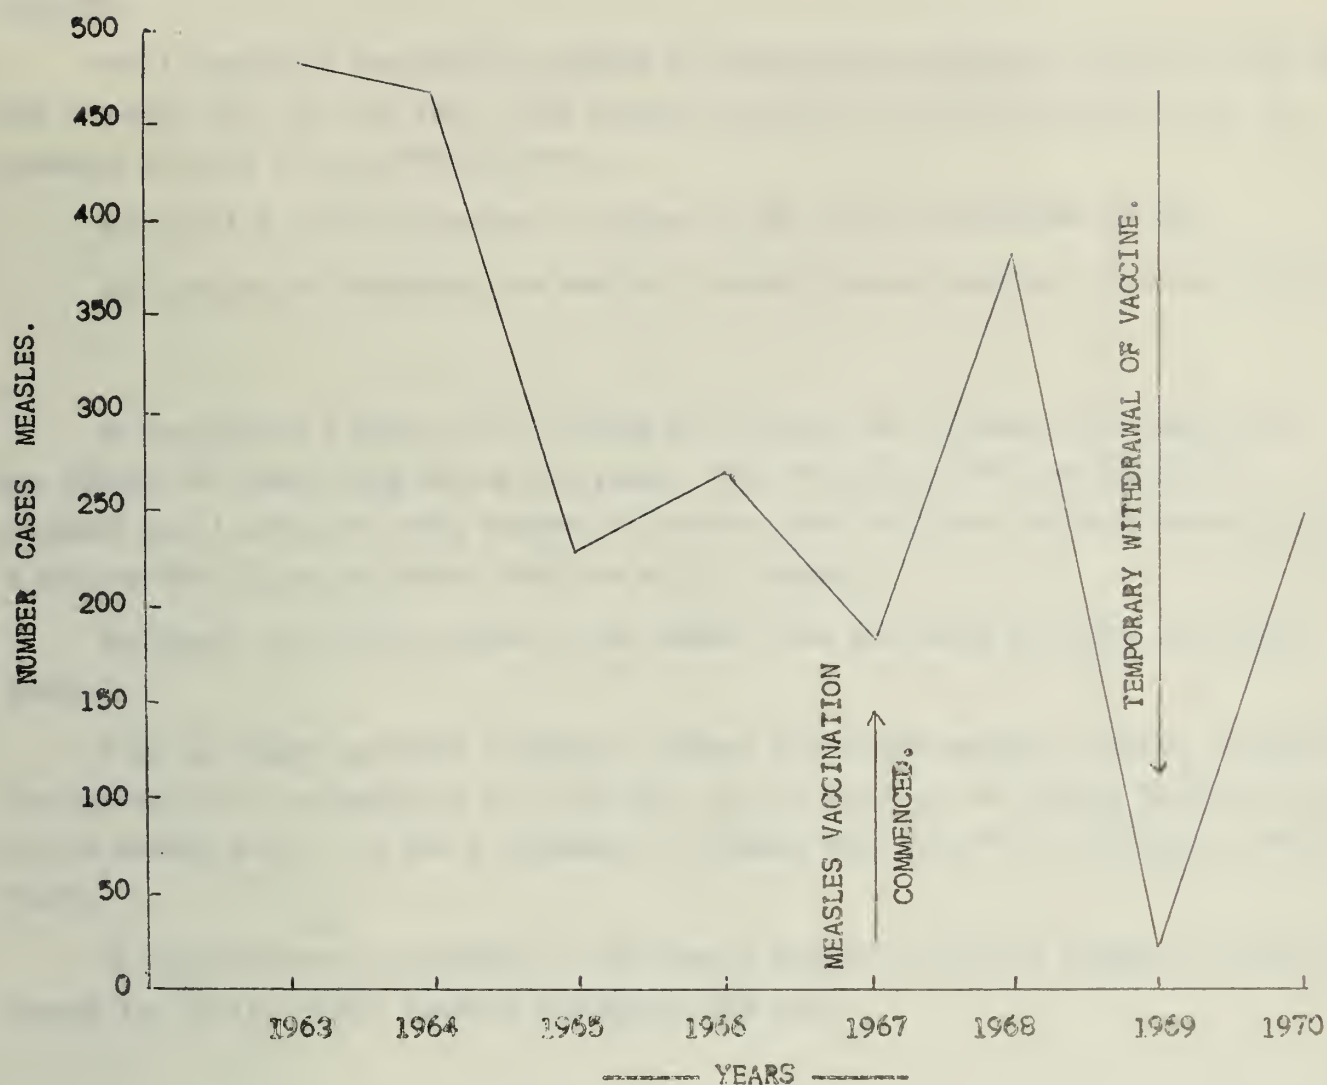

During the year - the second complete year of notification NO cases of Infective Hepatitis were notified.

241 cases of Measles were notified as compared with 18 in 1969.

The figures since 1963 have been as follows:

<u>Year.</u>	<u>No. cases Measles.</u>
1963	480
1964	464
1965	228
1966	262
1967	187
1968	374
1969	18
1970	241

Graphically this shows as follows:-

I think we can accept that the measles vaccination campaign brought the biennial increase down in numbers. Unfortunately the vaccine had to be temporarily withdrawn in 1969 and therefore one cannot say what this years maximum might have been. One hopes that the graph will show a persistant fall in 1971 and 1972.

I would once again plead with the parents of the district to have their children vaccinated against measles - particularly those with children in the lower age group in whom the disease can be serious.

I am glad to be able to report that no cases of Typhoid, Paratyphoid or Smallpox occurred this year, and to request all travellers abroad to have themselves immunised and vaccinated before leaving, thus helping us to remain free of these diseases.

NATIONAL ASSISTANCE ACT, 1947.

During the year it was found necessary to remove one elderly man in need of care and attention to hospital under the provisions of this Act.

HOUSING.

One is sorry to see that the number of new houses completed during the year was NIL compared with 76 last year. New houses provided by private enterprise was 71 compared with 89 in the previous year.

The waiting list for houses has risen to 381 and for bungalows to 200.

The problem of re-housing on medical / social ground remains a constant worry.

In conclusion I would like to thank Mr. Brogan, Mr. Plummer, Mr. Maskey and Mr. Crooks for their help during the year. Miss Wright left the Department in December and I wish her every success in her new post with the National Health Service. I welcome Miss Allen and hope that she will be happy.

My thanks also to the Clerk of the Council and the Chief Officers and their Staff.

I am as always grateful to Doctor Lockett the County Medical Officer of Health for his help and co-operation and also that of his Staff in the County Health Clinic and at County Hall. It was a pleasure to welcome Miss Elliott to the Health Visiting Staff.

To the Chairman and Members of the Health Committee and the Council I offer my thanks for their helpful support throughout the year.

HEALTH SERVICES PROVIDED BY
THE COUNTY COUNCIL

Details of these services are provided for information by courtesy of the County Council.

Watnall Road Clinic.

The County Health Clinic, Watnall Road is utilised for Maternity and Child Health, School Clinic, Cervical Cytology, Dental Clinic, Relaxation Sessions, Speech Training, Vaccination and Immunisation, Audiometry, Eye Testing, Distribution of Welfare Foods and District Home Help Service.

Ante-Natal and Post-Natal Sessions.

Friday, 1.30 p.m. until 4.00 p.m.

Medical Officer in attendance.

Child Health Sessions.

Monday, 2.00 p.m. until 4.30 p.m.

Medical Officer in attendance -

Thursday, 2.00 p.m. until 4.30 p.m.

alternate sessions.

Health Visitors are in attendance at each Ante-Natal, Post-Natal and Child Health Sessions.

Cervical Cytology Sessions.

Alternate Tuesdays at 7.00 p.m.

School Clinic Sessions.

Tuesday, 9.30 a.m. until 12 noon.

Friday, 9.30 a.m. until 12 noon.

Dental Clinic Sessions.

Treatment is given by appointment only.

Vaccination and Immunisation.

A vaccination and immunisation session is held on alternate Monday mornings at 9.30 a.m. by appointment.

Distribution of Welfare Foods.

Monday to Friday, 2.00 p.m. until 5.00 p.m.

The Fire Station, Watnall Road, Hucknall.

A child health session is held at the Fire Station, Watnall Road, Hucknall each Wednesday afternoon between 2.00 p.m. to 4.30 p.m.

Midwifery Service.

The service of the following County Midwives and District Nurse-Midwives are available in the Urban District:-

County Midwives.

Miss A. Calcroft,
18 Woodstock Street,
HUCKNALL,
Nottingham.
NG15 - 7SP

Telephone: Hucknall 2687

Mrs. M. E. Tallon,
16 Petworth Drive,
Heathfield Estate,
NOTTINGHAM.

Telephone: Nottingham 65611 Telephone: Kirkby-in-Ashfield 3850.

Miss A. C. McCreath,
Nurses Home,
Beardall Street,
HUCKNALL,
Nottingham,
NG15 - 7RA

Telephone: Hucknall 4879

Part-time:-

Miss M. Spellman,
6 Greenwood Vale,
HUCKNALL,
Nottingham,
NG15 - 6LY

Telephone: Hucknall 2456

HOME NURSING SERVICE.

District Nurses.

Mrs. M. P. Burnett,
15 Longdale Avenue,
Ravenshead,
MANSFIELD,
Notts.

Telephone: Blidworth 2290

Mrs. M. Clarke,
43 Revelstoke Way,
Rise Park,
Bestwood,
NOTTINGHAM.

Telephone: Nottingham 271923

Mrs. C. Burleigh,
7 Wanstead Way,
Rise Park,
Bestwood,
NOTTINGHAM.

Telephone: Nottingham 271354

Maternity Outfits.

Sterilised maternity outfits containing all dressing necessary for the conduct of a domiciliary confinement are supplied free of charge on the certification of the midwife engaged or the Health Visitor.

Care of Premature Births.

The provision of draught-proof cots with hot water bottles, blankets, etc., and an ambulance is made for all premature infants requiring transportation to Hospital. The midwife accompanies the infant on the journey to Hospital.

Similar equipped cots are provided for such infants nursed at home.

The services of a Consultant Paediatrician are available when required.

County Ambulance Service

Statistics 1970:	Patients carried	20,408
	Mileage involved	107,191

Categories of 20,408 patients were as follows:-

Accident	588
Emergency	1,011
Treatment	18,784
Others	25

REPORT OF THE
CHIEF PUBLIC HEALTH INSPECTOR AND CLEANSING SUPERINTENDENT
FOR THE YEAR 1970

To the Chairman and Members of the Hucknall Urban District Council.

Mr. Chairman, Ladies and Gentlemen,

In presenting my report for the year 1970 I regret to say the year started on a sad note with the death in January of Councillor Darlison who for many years was Chairman of the Health and Housing Committee. He was always content to leave the day to day running of the Departments in the hands of the officials, yet could be relied upon to take a very active interest in all major projects, particularly Slum Clearance, and would give full backing at Committee meetings to every scheme of merit. Immense strides were made in the redevelopment of the town under his Chairmanship and his presence at our meetings has been sadly missed.

A small amount of Slum Clearance work proceeded with the demolition of Number 51 Beardall Street and Numbers 1 and 3 Wesleyan Chapel Yard, Watnall Road. Number 116 Linby Road was acquired and closed, and representations were made with a view to the eventual demolition of Numbers 1 to 9 and Numbers 2 to 12 Belvoir Street, Numbers 1 to 5 The Brickyard and Number 279 Nottingham Road.

Whilst these small pockets of unfit dwellings are being gradually removed the predominance of our work in the Housing field is being directed to standard and improvement grants for bathroom installations and repairs. During the year we received 161 applications for standard grants and 26 for improvement grants. In the case of Number 37 Yorke Street a proto-type fibre glass bathroom was fitted at the rear and the dwelling was open to the public as a "show-house" for three months. Considerable interest was shown in this new venture and Local Authority delegates from as far afield as South Wales visited the house.

Further advances were made during 1970 in respect of Clean Air. Conversions of fireplaces in the Westville area were carried out during the spring and summer and the area became officially a smokeless zone on 1st October. It was, however, appreciated that suppliers of solid smokeless fuel could possibly be difficult to obtain during the winter of 1970/71 and that any further schemes could aggravate the situation. Surveys of the Beauvale area were therefore suspended for the remainder of the year.

The residents of Westville area will no doubt remember 1970 as the year that man landed on the moon and the year the cesspool disappeared from their rear garden. One can well imagine that the latter was by far the most important to them. This project was another big step in attaining a more healthy environment and it was gratifying to see a start also being made on the sewerage of Linby Road.

The Imported Food Regulations, 1968 require that all imported food shall be examined before it is released for general distribution. This examination has, in the past been carried out at the sea and air ports. With the introduction of the modern types of ships designed to carry large sealed containers the pattern has changed. Many of these containers are transferred from ship to lorry and, after passing customs, are driven still sealed, direct to inland food warehouses. During the year we have become more involved with this aspect of food control and are regularly called upon at short notice to break the container seals and inspect the food as it is unloaded. The containers are mainly coming into Hucknall from Manchester, Harwich and Tilbury.

In conclusion, I would like to thank the Staff for their loyal support throughout the year and the members of the Council for their continued interest in the work of the Department.

G. BROGAN.

Chief Public Health Inspector.

H O U S I N G

1. Inspection of Dwelling houses during the year.

(i)	(a)	Total number of dwelling houses inspected for housing defects (under Public Health or Housing Acts).	342
